It's Not To Late...Let's Talk

The New Broker In Town

Here's what my clients have to say...

Hire Cathleen Griebling if you want someone who is knowledgeable, professional, and determined to getting your home sold. We can't say enough good things about Cathleen. She knows her stuff. We hired Cathleen based on recommendations from family and friends who had used her in their real estate transactions. There is no doubt that we would hire her again in a heart beat to handle any future real estate needs. Whether your buying or selling, it is so important to have a knowledgeable real estate professional watching your back and negotiating the best terms for you. Thank you Cathleen Griebling.
Robert T.

Cathleen is a true professional! She knows the business inside and out, works hard for her clients and follows through. We've had the pleasure to work with her on multiple occasions. Cathleen has helped us purchase 2 properties and sell 3 over the last 10 years. Even with the drastic ups and downs in the housing market over the last decade, she doesn't miss a beat. I can't recommend a more hardworking and trustworthy realtor.
Heather

Cathleen Griebling is a true real estate professional. She knows her community, the market and the best way to sell or buy a home. She has the utmost integrity and will be completely honest with you about how the process works, what you should know and expect. She works well with others and you can trust that Cathleen will do whatever it takes to get your deal done. I highly recommend Cathleen Griebling and due to her hard work my house sold over the listing price in the midst of Covid-19.
